On Friday, August 12, 2011 the fund reorganizations listed above took place. The 2-decimal place net asset value ("NAV") disclosed for the funds and published in various publications was used to value transactions with a trade date of August 12, 2011. Calculations relating to the reorganization used NAVs calculated to 4-decimal places.

You should consider the investment objectives, risks, charges and expenses of a fund carefully before investing. A fund's prospectus contains this and other information. Prospectuses for BlackRock funds are available, by calling 800-882-0052 or from your financial professional. The prospectus should be read carefully before investing in a fund.

The information provided on this page is not a solicitation of an offer to buy, or an offer to sell securities.

An investor or financial intermediary should not rely on the NAVs provided above as their sole source in determining whether to buy, sell or process trading activity in shares of a fund as the fund NAVs set forth above may be changed after posting to correct errors, including human or mechanical errors, that resulted in the posting of outdated or inaccurate NAV information.
