On Friday, September 12, 2008, the BlackRock Technology Fund, Inc. merged into the BlackRock Global Science & Technology Opportunities Portoflio. The 2-decimal place NAV stated for the fund and published in various publications was utilized to value transactions with the trade date of 9/12/2008. All merger related activity was processed utilizing a net asset value calculated to 4-decimal places.

An investor should carefully consider fund objectives, risks, charges and expenses before investing. For this and more information on BlackRock funds, please view a prospectus. Please read it carefully before you invest or send money.

The information on this Web site is intended for U.S. residents only. The information provided does not constitute a solicitation of an offer to buy, or an offer to sell securities in any jurisdiction to any person to whom it is not lawful to make such an offer.

The foregoing information regarding net asset value is provided by a third party, not BlackRock, and, although such information is believed to be reliable, it may be subject to change. An investor or financial intermediary should not rely on this information as their sole source in determining whether to buy, sell or process trading activity in shares of a fund as the fund NAVs set forth above may be changed after posting to correct errors, including human or mechanical errors, that resulted in the posting of outdated or inaccurate NAV information.
